For instance, you can have the students create gesture drawings of the same still-life in a span of 10 minutes, then another one in 5 minutes, and a final one in 2 minutes. You can adjust the time intervals as you see fit. Also, students may use the same sheet of paper to create multiple gesture drawings.

### **Drawing Art, Learning Drawing Techniques**

Arts education embraces both artistic education, that is the child making art, and aesthetic education, the child as receiver of art. The reproduction of tradition, solidarities and identities is essential to a good broad education.

### **Creativity and the Arts in the Primary School - into.ie**

In education, arts-based teaching and learning activities may be implemented throughout a whole school. Models include whole-school art activities, whole-school arts-based curricula, and comprehensive school reform. A whole-school art activity may focus on one project in which all the students in the school participate.
