

conducting technique for beginners pdf

Conducting is the art of directing a musical performance, such as an orchestral or choral concert. It has been defined as "the art of directing the simultaneous performance of several players or singers by the use of gesture." The primary duties of the conductor are to interpret the score in a way which reflects the specific indications in that score, set the tempo, ensure correct entries by ...

When I worked with student teachers on developing effective lesson plans, one thing I always asked them to revise was the phrase "We will discuss." We will discuss the video. We will discuss the story. We will discuss our results. Every time I saw it in a lesson plan, I would add a note: "What format will you use?"
