

### **constructivism in international relations pdf**

Development. Nicholas Onuf is usually credited with coining the term "constructivism" to describe theories that stress the socially constructed character of international relations. Contemporary constructivist theory traces its roots to pioneering work not only by Onuf, but also by Richard K. Ashley, Friedrich Kratochwil, John Ruggie, and Christian Reus-Smit.

### **Constructivism (international relations) - Wikipedia**

International relations theory is the study of international relations (IR) from a theoretical perspective. It attempts to provide a conceptual framework upon which international relations can be analyzed. Ole Holsti describes international relations theories as acting like pairs of coloured sunglasses that allow the wearer to see only salient events relevant to the theory; e.g., an adherent ...
