The origins of butter go back thousands of years to when our ancestors first started domesticating animals. In fact, the first written reference to butter was found on a 4500- year old limestone tablet illustrating how butter was made. 1 In India, ghee (clarified butter) has been used as a staple food, and as a symbol of purity, worthy of offering to the gods in religious ceremonies for more ...

Ethics involves systematizing, defending, and recommending concepts of right and wrong behavior. A central aspect of ethics is "the good life", the life worth living or life that is simply satisfying, which is held by many philosophers to be more important than traditional moral conduct.. Most religions have an ethical component, often derived from purported supernatural revelation or guidance.
