This is the way to go! My daughter is learning French at home and this is much better than buying the text book and workbook separately. Both are included in this CD-Rom. Plus, the main advantages are that she can listen to pronunciations of the French text that she is learning each week AND it gives her access to additional activities online where she can hear the correct pronunciation.

1.. Introduction In the last decade "systems of innovation" has emerged as a new topic on the research agenda of innovation studies. It has opened up a promising strand of study, in which the scope of analysis has been broadened from artefacts to systems, from individual organisations (often firms) to networks of organisations.

From sectoral systems of innovation to socio-technical
