Slavery is a social-economic system under which persons are enslaved: deprived of personal freedom and forced to perform labor or services without compensation. These people are referred to as slaves. The following is a list of historical people who were enslaved at some point during their lives, in alphabetical order by first name. Several names have been added under the letter representing ...

List of slaves - Wikipedia

^Since the Western Roman Empire was not a distinct state separate from the Eastern Roman Empire, there was no particular official term that designated the Western provinces or their government, which was simply known at the time as the "Roman Empire".
