

portraits from life in pdf

American Presidents: Life Portraits is a series produced by C-SPAN in 1999. Each episode was aired live, and was a two- to three-hour look at the life and times of one particular President of the United States. Episodes were broadcast from locations of importance to the profiled president, featured interviews with historians and other experts, and incorporated calls from viewers.

American Presidents: Life Portraits - Wikipedia

A portrait is a painting, photograph, sculpture, or other artistic representation of a person, in which the face and its expression is predominant. The intent is to display the likeness, personality, and even the mood of the person. For this reason, in photography a portrait is generally not a snapshot, but a composed image of a person in a still position.
