The first part covers the basics of attracting high-end clients, how to define high-end clients and the three essential ingredients of attracting high-end clients. Part I - Attracting High-End Clients Everyone wants to attract more clients. But I think itâ€™s even more important to set your sights on attracting more high-end clients.

### **The 5 Key Strategies of Attracting High-End Clients**

It costs considerably less in business development time and dollars to get more work from an existing client than to land a new client. Getting more lawyers involved in the relationship makes the client more loyal to the firm (and less likely to jump ship if a partner leaves).

### **Cross-Sell Effectively by Putting Client Needs before Your Own**

Our experience is that the process of working with lawyers to grow their business is hampered if our clients feel that their meter is constantly running. We therefore take a project-based approach that focuses on creating a proposal that is designed to attract the work our clients most want to attract.
