Western medicine practices. Many Hawaiians distrust and refuse Western medical practices today. Until the arrival of Westerners onto the Islands of Hawaii, the people lived in a thriving and nourishing environment. Very few people became ill. They followed a kapu system enabling them to prosper and live peacefully with nature (Oneha, 2001).

Abstract. In his pleasurable anecdotal account of Johnson in the Highlands and Islands (The Journal of a Tour to the Hebrides), Boswell occasionally comments on one singularity in particular of his celebrated travelling companion: "Last night Mr Johnson gave us an account of the whole process of tanning, and of the nature of milk and the various operations upon it, as making whey, etc.
