The FA Rules and Governance website helps to provide a better understanding of the role of the department and governance of the game in general. The purpose of the site is to enable everyone involved in the game, whether with a league or club, as a player, match official or as a spectator, to have a better understanding of the role we all play in the governance of the game

1. Adversity. In 2013, the United States reached an educational milestone. For the first time, a majority of the country's public school students – 51 percent of them, to be precise – fell below the federal government's threshold for being low income, meaning they were eligible for a free or subsidized school lunch.
